Reyes Columbia College
Fire Academy Scholarship.

Jordan lived his life at full throttle and with no regrets. He worked and trained hard to be his personal best and was dedicated to setting the highest standard in everything he did. He was a fireman; it was his life and his passion. His heart was genuine and his motives pure. He had such a fun loving spirit and incredible energy around him.

Following his accident, Jordan received over 26 units of blood. We are so thankful to donors for providing this precious gift to us. Jordan's family and friends would like to make sure this gift of life continues to be available and would like to thank everyone for their kind generosity.
